

WARNING LIGHTBARS

Be seen from every angle

Thanks for taking an interest in OzLED range of Led lightbars. you are on the right track to finding the right fit, highest quality and most customisable bar on the market!

ARMADA™

The Nforce & Armada bar is the best of all worlds. The quality of American manufacturing, Functionality to optimise any fleet and the cost that cannot be beaten!

NFLUSE™

The king of stealth comes in a sleek package that runs of a 3-wire control program that mounts conveniently under your dash or service area. the Nfuse lightbar is a Heavy hitter when it comes to light output the tri-colour options available.

mpower™
REDEFINE SAFETY

Unrivalled with its durability, output and functionality, the Mpower lightbar was born to perform and outlast even the fleets they are mounted to. with a rigid but lightweight aluminium housing and silicone optics. There isn't much you could though at the Mpower bar that it cannot handle.
